

1XUSB-A 6W COMPACT CAR CHARGER

COMPACT & DISCREET!

Charge your device while driving!

This discrete and compact car charger will allow you to quickly charge your smartphone and more. You just need to plug it on any cigar-lighter socket as long as it delivers 12 or 24V.

Thanks to its USB port, this car charger will deliver current up to 1.2 amperes.

It also has the SMART IC technology: it provides an optimal energy intake by automatically detecting the voltage your device really needs.

Thereby you can charge your smartphone and another device all at once!
