Bluetooth and 2.4GHz headset microphone with ACTIV 1000X charging base

THE IDEAL HEADSET TO REMAIN FREE OF MOVING AT THE OFFICE

Dual connection Bluetooth and 2.4 Ghz stereo headset with charging base. The headset plugs easily into the base thanks to its magnetic system.

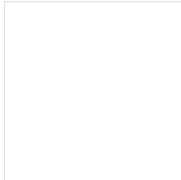

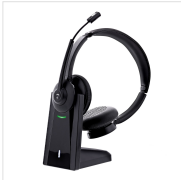

Pick up easily with the play/pause button on the headset. Also easily control the volume with the two buttons on the headset.

Comfortable and robust design, thanks to its aluminum headband and its imitation leather foam protection.

Take advantage of exceptional sound quality to also listen to and view your content in immersion.

Enjoy 26 hours of continuous talk time.

Comfortable ear cups with leatherette foam. Flexible, adjustable and folding micro shaft for optimal positioning. The microphone has a quick on/off button.
