

Bluetooth 5.1 USB Adapter

CONNECT ALL YOUR DEVICES VIA BLUETOOTH

This Bluetooth adapter plugs into a computer's USB 2.0 (or higher) port. Your computer will be able to communicate wirelessly with all your Bluetooth devices (phones, mouse, keyboard, speakers, etc.). Thanks to Bluetooth 5.1 technology, you will be able to improve the range and the power of wireless connection with all your devices equipped with Bluetooth technology (2.0 or higher!) The ultra-low-power CSR-type chipset will ensure perfect compatibility with your devices, as well as a long-range connection. Its ultra compact format is forgotten on a USB port.
