USB audio adapter / 2 jack with 5.1 sound card

CONNECT YOUR MICROPHONE AND AUDIO DEVICES VIA USB !

Our adapter allows you to connect speakers or headphones and a microphone to the USB 2.0 port of a computer.

Its USB 2.0 external sound card is equipped with a 3D 5.1 virtual sound and 2 3.5mm jack plugs for headphone and microphone input and output. No need for an internal sound card!

Just connect it directly to a free USB port and connect your devices for clear sound.

Our adapter supports its 3D sound position and virtual 5.1 channel soundtrack.

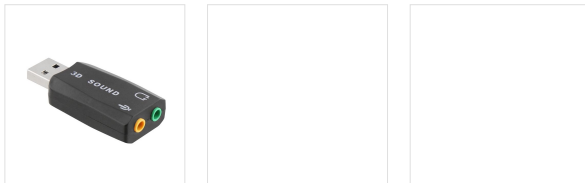

No need to install any software, everything is automatic: Plug & Play.
