

BABY CONNECTED SURVEILLANCE CAMERA

WATCH YOUR BABY IN REAL TIME FROM YOUR SMARTPHONE!

Easy setup on your Wi-Fi network.

Watch your baby anywhere and anytime directly on your smartphone or tablet.

Thanks to motion and sound sensors, receive live notifications when your baby is crying, for example.

You can easily check the room temperature and humidity rate to make your baby will fall asleep cosily.

Start 2-way audio with ease to communicate via the camera and hear your baby voice.

MicroSD card slot, up to 128 Gb.

Monitor the camera with free T'nB Smart app available on iOS and Android.

Check the humidity and the temperature of the nursery at any time thanks to the built-in sensor.
