

4XUSB-A 48W car charger with two ports for backseat passengers

YOUR USB CHARGE WHERE YOU WANT IN YOUR CAR !

Do you happen to have passengers on the backseats of your vehicle who need to charge their Smartphones, tablets... ? This car charger with 2USB on the front and 2 on the back will live up to your expectations. Indeed, the 2USB for the back are mounted on a small box with a clip, easy to fix on your backseats pockets. The output power of 9,6A will allow you to charge all your devices quickly* and simultaneously (2 Smartphones and 2 tablets for example).

* quickly: 2,4A for each USB port
