

Dashboard magnetic suction cup holder

UNRIVALED STABILITY!

This suction magnetic holder is ideal to access to your Smartphone in your vehicle in one gesture.
 Composed with an 180° adjustable axe, it can strongly hold your smartphone close to your air-vent while enjoying your dashboard's stability.
 Its latest generation fixation offers an adhesive suction cup paired with a 3M fixation that ensures an unrivalled hold.
 In order to adapt to any Smartphones or GPS, one metal plate is included to be placed at the back of your mobile or case.
 Robust and design, the CARMAGDASH and its matt finish will perfectly fit in your car.
