

This air vent magnetic holder is one of the most stable and reliable on the market. Ideal to access your Smartphone in a simple move, this premium air-vent holder redefines the standards of magnetic holder :

- Ultra-large magnetic surface (up to 2 times bigger than regular magnetic holders).
- Including 6 magnets for optimal support (without effect on the battery or the phone reception).

In order to adapt to all vehicles' air-vent grids, the holder is adjustable thanks to its rotative head. 1 metallic plate is provided.
