Black FLOW Bluetooth headphone

FREE YOUR FLOW TO THE RYHTM OF THE MUSIC

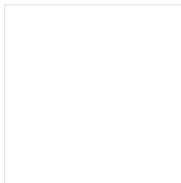

Discover FLOW, the range designed and designed to respond to your deepest musical impulses.

This headset is a concentrate of technologies associated with a trendy and discreet style thanks to its shiny finishes on the earcups.

The circum-aural shape of its headphones gives these headphones a trendy style that is also very comfortable. It is equipped with ultra-encompassing foam and a padded headband, to offer you excellence in terms of listening comfort.

The headphones are foldable and adjustable, and have two connectivity options: Bluetooth 5.0 and 3.5 mm jack. It also comes with a jack to USB-C adaptor, so you can listen to your music with any device!

The FLOW helmet guarantees unparalleled comfort; for an ever more advanced sound experience: feel all the nuances and rhythms of the music!
