Extra soft Lightning cable

Finally a charging and synchronization cable that matches the colour of your iPhone. Apple® has designed colourful iPhones, each one more successful than the next. Why spoil this design with a basic charging cable?

T'nB has created an ultra flexible soft touch cable respecting the colors of your iPhone for the most demanding people.

In addition to being elegant, this cable is also very resistant and very flexible, its reinforced connectors will extend the life of your cable.

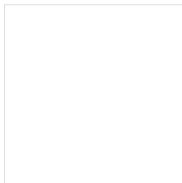

This 1.5m cable allows you to charge and synchronize your iPhone, iPad or iPod. USB / Lightning cable for charging and sync with Apple® license:
