Smartphone - Xtremwork - Xtremwork connectors

XTREMWORK 3m strong Micro USB cable

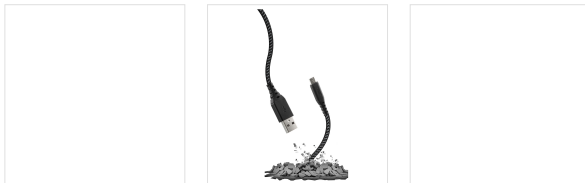

CHARGEUP YOUR BATERIES EVEN IN EXTREM CONDITIONS

Xtremwork range has been developed for intensive and extreme uses. An answer for people looking for strong and performant products. We use materials well known for their extreme strength like Kevlar® and Nylon for the housing and inmould plastic connectors. Xtremwork cables are very resistant to abrasion. We carry out extensive bending tests (30 000 bends). As a pledge of strength, all Xtremwork cables come with a 5-year warranty. This 3-meter length Micro USB to male USB-A cable allows you to connect your smartphone to any device with a standard USB port (USB-A).
