SINGLE Bluetooth headphone gold pink

BLUETOOTH 5.0 LATEST GENERATION

Discover the new range of SINGLE headset from T'nB, the latest generation 5.0 bluetooth technology finally accessible for everyone! SINGLE headset are inspired by the greatest : a worked, trendy, elegant and refined design combined with latest generation technology. Thanks to Bluetooth 5.0, enjoy an even more faithful sound reproduction, including with high definition tracks! This new type of Bluetooth & the components used to develop this new range allow you to enjoy an extended autonomy of 6 to 8 hours, no more worries about this part. The discreetly integrated controls on the pads allow you to manage your tracks, volume or even take a call, directly from your headset without having to operate your Smartphone. Now enjoy your limitless playlist in Bluetooth on any of your devices!
