

PREMIUM 10W WIRELESS CHARGER SUCTION CUP AND AIR-VENT GRID MAGNETIC HOLDER

Charge very easily your Smartphone thanks to this Wireless Premier 3in1 Charger.

Combining the comfort of a magnetic holder and a wireless charger, this design holder will adapt to every type of vehicle thanks to its multi-surface suction fixation (screen & dashboard) and its air vent fixation provided. Capable to deliver a fast or standard wireless charge, this holder will answer to the most demanding users.

It is provided with a cigar-litner charger 2 USB : QC3.0 and 2.4A which will allow you to charge the latest Smartphone rapidly and wirelessly (SAMSUNG GS8, GS9, Iphone8,X, etc..)

Provided with a magnet to place on the back of your Smartphone or your protection case (at 1/3 of the height of the phone to leave space for the wireless charging system). The 360° rotative head will allow to use your smartphone on either landscape or portrait mode.

Ideal to access & charge your Smartphone with one simple move, this Premium holder will meet the expectations of the most demanding users.

Enjoy fast wireless charging speed (10W) or standard wireless speed (5W)!

Simple, convenient & compact
