

Male/male DisplayPort cable 2m

TRANSMIT YOUR AUDIO AND VIDEO DATA!

Compatible with all devices equipped with a DisplayPort socket. This cable allows you to transmit your audio and video files in high definition from your computer or your game console equipped with a DisplayPort output to your PC screen, your television set or your video projector equipped with a DisplayPort input. The cable supports 4K resolution and is equipped with gold-plated connectors. The DisplayPort connector with its locking system provides a secure connection with a release button that must be pressed before disconnecting the cable.
