

## Male HDMI / male VGA cable 2M

**EASILY CONNECT YOUR ULTRABOOK OR MAC TO YOUR SCREEN OR PROJECTOR !**

The cable connects a desktop computer, laptop, or other devices with an HDMI port to a monitor, projector, TV, or other devices with a VGA port. This is not a two-way converter, the cable cannot transmit VGA to HDMI signals. Constructed with high quality PVC material, the gold-plated HDMI and VGA connectors resist corrosion, provide durability and improve signal transmission. The cable supports resolutions up to 1920 x 1080 @ 60Hz (1080p Full HD), including 720p, 1600x1200, 1280x1024 for high definition monitors or projectors.
