

# TREBLE WIRELESS SPEAKER + WIRELESS HEADPHONES AND POWER BANK

A 3 IN 1 CONCEPT SO THAT THE MUSIC NEVER STOPS!

The TREBLE speaker is a 3 in 1 concept in a miniature format that adapts to all your desires:

- A 5 Watts Bluetooth speaker to share music with your friends
- In-ear TWS headphones to isolate you in your musical bubble.
- A back-up battery to charge your smartphone, your MP3 or any other electronic device directly. The speaker also doubles as a charging case for your headphones when they're stored.

With Bluetooth technology, your music automatically switches from the speaker to the headphones when you take them out, and back to the speaker when you put the headphones away. Adapt to your desires in a single gesture.

The TREBLE 3 in 1 speaker is the ultimate accessory for sound lovers: all forms of music are there!

**Music in all its forms in one accessory**
