Mini tripod 2 positions - INFLUENCE

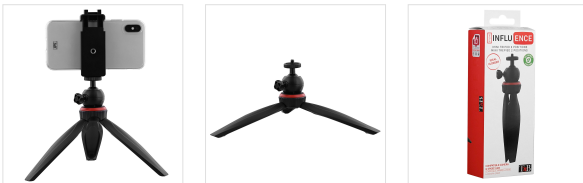

CHOOSE THE BEST PERSPECTIVE !

This mini tripod is the indispensable accessory for every photographer ! Only 20cm high when folded, the tripod has the advantage of offering 2 different angles. Just turn the sliding selector switch, under the rotative head, in order to switch from one opening angle to another. According to the choice, the height of the tripod is 16 cm or 10 cm.

The 90° rotative head allows to switch from landscape mode to portrait mode. With a 1/4" pitch screw, it is compatible with cameras, smartphone holders and sports cameras.

Thus, the tripod offers a multitude of framing and shooting possibilities, while guaranteeing the best stability possible.

Ultra light and compact , this tripod will follow you everywhere and guarantees the capture of the most precious moments of your life!
