2 in 1 wireless rechargeable mouse

2-IN-1 WIRELESS RECHARGEABLE MOUSE (BLUETOOTH AND USB WIRELESS)

With a clean design and a pleasant grip, T'nB has endowed this mouse with an unparalleled arsenal of technologies.

- Buttons with SILENT CLIC technology:

Increase your productiveness with 6 buttons, including a metal wheel and 2 main buttons with SILENT CLIC technology.

In Open Space or teleworking, prevent your loved ones from being disturbed by the noise of your clicks. With the SILENT CLIC, work in complete serenity!

- DUAL Connect wireless technology:

1. Wireless USB Dongle: Plug the USB dongle into your computer and enjoy a 100% plug and play connection, without any installation.

2. Bluetooth: Synchronize your mouse with your computer with the Bluetooth interface. Automatic and discreet connection with 0 dongle!

With a single button, switch from one connection to another. You can therefore use the same mouse on 2 different computers.

- Built-in rechargeable battery:

With the supplied USB / micro USB cable, you can charge this mouse anywhere. With 1 hour of charge, the autonomy reaches up to 40 hours of use.

Forgot to recharge it? Plug in the cable and this mouse works as it charges.

- Automatic standby:

This mouse has an automatic sleep system and an ON / OFF button for physical shutdown.

Design and productivity, this mouse will be your best ally!
