Wireless vertical ergonomic mouse rechargeable

ERGONOMIC VERTICAL MOUSE, PERFECT FOR THE OFFICE

Optimal design for the office and computer activities during successive hours. This vertical mouse keeps your forearm vertically aligned in a natural position and thus reduces fatigue and pain. Its magnetic easily removable support allows a pleasant grip and also provides a better position of the wrist.

It has 7 buttons :

- Two silent click buttons
- One "Next" and "Previous" button
- One short cut button "Back to homescreen"
- One button for the selection of the DPI (speed of the cursor) from 800 to 3600
- A clickable wheel

Thanks to its integrated battery of 700mAh, you won't need disposable batteries anymore. Rechargeable with the micro-USB cable for several days of use. Color : black with a silver line design.
