Box x10 Microfiber cloths

HIGH ABSORPTION MICROFIBER FABRICS

Discover our box of ten high absorption microfiber cloths. Reuse your box and your fabrics: after use, machine wash your microfiber fabrics (40°C), then fold your cloths according to the indication diagram and refill your distribution box. Thus, you reuse your cloths and your box. Washable and reusable microfiber cloths: super absorbent, quick drying and machine washable. T'nB cleaning cloths will allow you to clean your computer equipment without leaving traces and by actively removing dust. 10 blue-coloured microfiber cloths Each cloth measures Size 20cm by 20cm
