

**Multimedia** - Ergonomic range - Ergonomic mice

Mouse pad with wrist rest that matches the form of the wrist and of the palm. The gel allows a stable support and reduces wrist tensions. Non-slip coating, for a stable position on the desk. Wireless ergonomic mouse. Optimized design for the form of the hand. Large mouse that allows to rest all fingers and that avoids frictions. 5 buttons including "Next", "Previous", a DPI switch and a clicable scroll.
