ELYTE - PY-200XL RGB XL Mouse Pad

A LARGE LUMINOUS MOUSE PAD

The PY-200XL mouse pad will provide you with a spacious gaming space thanks to its size of 80x30 cm.
Its RGB backlighting and 11 light modes will immerse you in your favorite gaming world!
The PY-200XL has a Hub function, offering you 4 USB-A 2.0 ports to connect your peripherals (mouse, keyboard, USB key, etc.)
The PY-200XL mouse pad is built on a non-slip rubber base, providing you with good stability.
It is compatible with all mice with optical and laser sensors.
