Laptop shell sleeve 15,6" VARS

CARRY YOUR LAPTOP !

Carry and protect your computer with our eco-friendly Vars laptop bag! Made from 70% recycled textile (RPET), the Vars case is part of an environmentally friendly design process. The exterior of the case is reinforced with EVA shells for excellent protection of your device against shocks and vibrations. The protective case has a padded main compartment made of high density foam with a velvet finish, ideal for safely storing your computer up to 15.6". Inside the case you will also find storage pockets for documents and other personal belongings. Vars has two reinforced and comfortable handles for carrying your laptop. You can also attach a detachable strap that comes with your case using the two metal clips on the sides.
