

## FULL HD 1080 P WIFI 2 SPORTS CAMERA

Whether you are on a mountain top or 10 meters underneath the ocean, this 1080 pixels Full HD Wi-Fi sport camera will be able to accompany you during all your adventures.

Thanks to its 1080 pixels resolution, its 12 megapixels CMOS, its 170° wide-angle and its card reader for micro SD, this Wi-Fi pocket-size camera allows you to easily capture in Full HD quality your sporting performances via videos and photos. Note the presence of a 1.5-inch screen that makes navigation comfortable and intuitive. Moreover, it is possible to take control of the camera remotely downloading the « T'nB Cam » application on your smartphone or on your tablet. Developed for the sporting athletes on the amateur level as well as for the most seasoned athletes, it includes 15 accessories including a waterproof case up to 60 meters and various holding devices : this connected camera will bring a breath of fresh air to your outdoor activities.

**Control your camera with your smartphone**
