

ERGONOMIC EARPHONES + ARMBAND PACK

This ultra-thin Lycra armband and ergonomic earphones are designed to accompany you during all your sports sessions.

Ultra lightweight and water resistant, the armband resists moisture and perspiration. Featuring a velcro closure it fits snugly on your arm. Its universal size and these 4 earphones holes allow it to accommodate all smartphones and MP3 players (max 7.1x14cm). The transparent window facilitates access to your device and keeps its touchscreen function. Its reflective strip guarantees optimal safety. A key pocket and a headphone attachment complete this accessory.

The sporty RUNNING semi-in-ear earphones are ergonomic and have an integrated universal microphone (compatible with all smartphones). The flat cable avoids nodes. Ideal running and other sporting activities, they resist sweating. These earphones are equipped with an ergonomic insert that fits in the auricle, and ensures an ideal support during all your movements.

The perfect accessory for your sports activities
