

Remote control for LG TV

CHANGE YOUR REMOTE CONTROL WITHOUT CHANGING YOUR HABITS.

LG TV remote control

This remote control works without setting, just insert the batteries. It will perfectly replace your remote control.

Similar to your LG remote, change the remote while keeping the same format.

Thanks to the "learning" function, you can also configure any remote control. Personalize your remote control in one click and find the same functions as on your original remote control.

This function requires the original remote control.
