

## Bell for bike/e-scooter

### SIGNAL YOURSELF IN A GESTURE !

Ensure your safety with this mini bell for handlebar. With essential functionalities of a sound warner, you use it in one gesture, thanks to its push button, without lifting your hand from your handlebar. Its steel dome produces a clear and audible sound in a urban environment to signal yourself. Compatible with 25,4mm diameter handlebars (most of urban bikes handlebars), you just need a screwdriver to mount it.
