

Bike smartphone holder

TRANSPORT, PROTECT AND USE YOUR SMARTPHONE

You want to keep easy access to your Smartphone while you are riding bike or e-scooter?

This handlebar holder is made for you. It must be fixed on the handlebar (max diameter 31,8mm) and it protect from dust and water splash.

This upper opening allows an easy access : you just have to slip it in. Moreover, watertight locking secures your device and is 100% water-resistant.

You can also unlock your smartphone with your fingerprint on the face without take it out of the support.
