

Pack of 2 LEDs for bike wheels

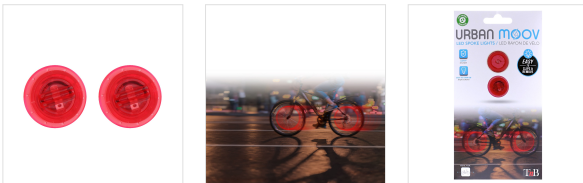

PUT THE LED ON YOUR BIKE SPOKE AND ENLIGHTEN YOUR WHEELS

Fix these small LEDs on a spoke of your bike and your wheel will light up when you ride.
 Very easy to install, simply clip the LED on a spoke of your bike and turn it on.
 This allows you to be visible to everyone when you use your bike by night.
 This pack content 2 LEDs, one for the back wheel and one for the front wheel.
