

Rotary smartphone holder for bike/e-scooter

THE IDEAL HOLDER FOR ESCOOTERS !

Would you like to keep an easy access to your Smartphone while on your escooter? This flexible handlebar holder is made for you. Its silicon material makes the smartphone setting easier, and it fits each size so as to secure it the best way. Its 360° rotative head gives you the format choice, portrait or landscape. The angled conception allows to fit perfectly every escooter handlebars while keeping a solid fixation, without interfering with the driving. The holder is compatible with all smartphones up to 6,5".
