

U-lock with cable for bike /e-scooter

SECURE YOUR MACHINE WITHOUT DAMAGING IT

Do you leave your bike / scooter parked outside? To prevent theft, our lock is ultra resistant and solid. It ensures flawless security thanks to its key lock. You can attach it to the wheel of your bike and to a post in order to block it and secure it. Its Soft Touch Rubber composition leaves no marks on your engine. Very practical to store, a universal support is provided to attach the lock to the bike frame.
